

Warm Up:

Before reading the text, complete this warm up.

If possible, pick a partner or form small groups with 3-4 students. Direct your attention to the headline and first paragraph of the text, "For the Love of Reading," by Piney Kesting. To get yourself oriented, answer these questions:

- Who is at the center of this story?
- Where does the story take place?
- What time period does this story take place?

Discuss with your partner(s) what you can infer from the text by looking at the following photos from the article. Based on what you see, explain how the photos give further clues as to the main focus of the article? Read the captions. What other topic(s) do they suggest you will be reading about?
