

**Visual Analysis:**

Explore the Connection between scent, memory and personal experience by analyzing imagery and reflecting on the emotional power of aromas.

**Interpret**

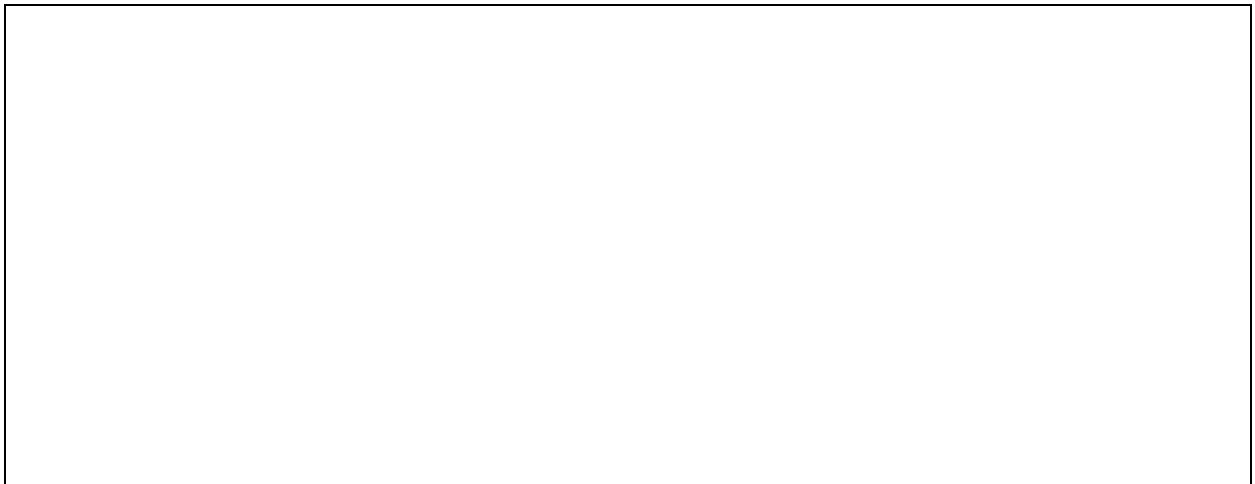

Analyze the photograph above of a perfume merchant pouring Cambodian oud oil into a bottle for purchase. Describe what you think the oil might smell like? Consider the reasons why the customer might be purchasing the oil. Draw upon previous experience with other oils you have encountered. Record your answer in the box on the next page.

### **Integrate (10 minutes)**

Describe your favorite thing to smell. Explain where it is common to encounter this aroma. Record any feelings this smell might invoke or memories that the aroma calls to mind in the box below.

### **Apply**

Make a collage of images from magazines or the internet in the box on the next page to portray your favorite scent and the way it makes you feel.

**Common Core Standard(s) Met:**

**CCRA.R.7** Integrate and evaluate content presented in diverse media and formats, including visually and quantitatively, as well as in words.
